## Report on HIV Awareness Programme 22/11/2025

### Introduction

An HIV Awareness Programme was organized on 22/11/2025 at Shantaveer Arts and Commerce College by the Health Department. The main objective of the programme was to create awareness among students about HIV/AIDS, its causes, prevention, and the importance of maintaining a healthy lifestyle. The programme aimed to educate young students about responsible behavior and to eliminate myths and misconceptions related to HIV.

### Programme Details

On this occasion, Ms. Amina Mulla delivered a special lecture to the students. She explained the modes of transmission of HIV, preventive measures, early detection, and the importance of regular medical check-ups. She also emphasized the need to treat affected persons with care and without discrimination.

Students actively participated in the session and gained valuable knowledge about health and safety.

## Conclusion

The HIV Awareness Programme conducted on 22/11/2025 was highly informative and beneficial for the students. The special lecture by Ms. Amina Mulla helped in spreading awareness and promoting a responsible and healthy lifestyle among youth. The programme concluded successfully with a positive response from students and faculty members.
