SHRI SHANTAVEER ARTS AND COMMERCE COLLEGE, BABALEHWAR DIST VIJAYAPUR

DEPARTMENT OF ENGLISH

Add-on Courses in Communicative English

Preamble:

English has become a universal language today. It is commonly used as a medium of Communication, of information and use through which barriers of boundaries between the states and countries have been crossed. Many state Governments have realised the importance of English. Poor language means no jobs. A poor ability to speak effectively in today probably the greatest single bar to advancement in any job. Further it is found that the judents are not trained in skill-based activity. There is no atmosphere to build communicative skills in the present curriculum.

Looking into the aspects it is most reasonable and appropriate to provide the facility of studying 'Communicative English' to the students. The students who graduate themselves with 'Communicative English' may have more vistas open to them in and around Bijapur and Bagalkot District. Bijapur being a historical place thousands of tourists visit the historical monuments. The students who come out with communicative English may get jobs in tourist department, in our own institutions/schools/colleges/hospitals etc. These are the few reasons to provide Diploma in Communicative English to the students at degree level.
