IQAC ANNUAL REPORT 2021-22

As per the initiative, norms and new guidelines of the NAAC from time to time, we constituted Internal Quality Assurance Cell [IQAC]. The IQAC collects data from various committees of the college. The committees. These committees are functioning throughout the year. The opening ceremony of curricular and extra curricular activities was conducted by the cultural department and Swami Vivekanand Birth Anniversary celebration for Essay competition, Voters Day celebration, International Women's Day, World Environment Day for state level debate competition. The students were selected as part of the 'AZADI KA AMRUTA MAHOTSAVA' programme and International Yoga Day and importance of Ayurveda in Health care, Kargil Utsava Programme, Voter Registration awareness were organized on this occasion and programs like special Lecture on 'Moral education were conducted.

The National service scheme programme is important in creating about awareness among students about social coexistence. So our college unit conduct many activities throughout the year and the N.S.S. unit special camp was organized in the adopted village Halagani and made the camp a success. Blood donation is the best among charities, so blood donation camp organized in our college. In the world of science it is everyone's responsibility to make students aware of occasion of world Environment day. Saplings were planted to create awareness among the students.
