1.4.1 Feedback Analysis of Stakeholders and Action Taken Report

(Academic Year 2018-19)

Introduction:

The college collects feedback on curriculum aspects and courses from different stakeholders such as Students, Teachers, Employers and Alumni. Once the feedback is analyzed and valuable suggestions given were considered and necessary actions were executed.

Table 1: Students feedback and action taken report based on the students' feedback, appropriate changes were made as in notified in the following table.

Sr. No.	Suggestions on feedback	Action Taken
1	Students suggested to start more career-oriented courses	Some of our faculty members are part of the syllabus construction committee, i. e. Board of Studies of the University. They took initiative to convey these suggestions to the University. They also suggested to start new certificate courses at college level.
2	Introduce new certificate courses related to basic terminologies of various subjects for a stronger foundation	Certificate courses of various subjects were started including basic concepts of the respective subjects
3	Arrange career development programs and job-oriented programs for students	The college offers various Certificate and Add-On courses for skill development and placement of the students
4	Include interdisciplinary approaches and emphasize connections among social sciences	The departments of social sciences have formed 'Social Science Association' and decided to organize various interdisciplinary programs under this association
5	Visits to different government and non-government organizations	The departments of Commerce, Political Science, History, Economics and other departments visit various government and non-government organizations and Historical places

Co-ordinator,
IQAC,

Principal,
Shri Shantaveer Arts & Commerce
College, Bahaleshwar (5202)

Table 2: Teachers' feedback and action taken report.

Teachers' feedback plays a vital role in the development and improvement of the curriculum. The below table shows the suggestions by the teachers and action taken on them.

Sr. No.	Suggestions on feedback	Action Taken
1	Incorporate diverse voices and perspectives, particularly those from historically marginalized groups, to offer a more inclusive understanding of society	Feedback given by the subject teachers were discussed in the meeting and the recommendations of the committee were implemented
2	Include the study of local and regional history to help students connect with their own communities and understand their historical significance	The suggestion was put forward to the committee for consideration and it was decided to include the suggested points in various certificate courses
3	Include coursework on crisis management, disaster management, and emergency preparedness	The suggestion was put forward in the meeting for consideration
4	Expand the curriculum to include diverse world ideologies, theories, histories, and perspectives including those of marginalized groups	Feedback given by the subject teachers were discussed in the meeting and the recommendations of the committee were implemented

Table 3: Parents' feedback and action taken report.

The feedback from parents is also important. Their suggestions and action taken is mentioned below.

Sr. No.	Suggestions on feedback	Action Taken
1	Promote classroom discussions and debates on different topics to foster critical thinking	Classroom activities such as seminars, group discussions, debates are conducted on the different topics in every class
2	Explore the use of digital tools and multimedia in teaching-learning to keep up with modern trends and technology	Digital tools and multimedia are being used in teaching-learning. The use of ICT, Video lectures, YouTube links have been increased to keep up with modern trends and technology
3	Real life social problems should be discussed and students should be motivated to find solutions to those issues	Many programs and guest lecture are organized on real life social problems to motivate the students to find solutions to those issues
4	Provide training in leadership and management skills, including effective communication, team building, and conflict resolution	Training programs are organized on leadership and management skills, including effective communication, team building, and conflict resolution

Co-ordinator,
IQAC.

Principal,
Shri Shantaveer Arts & Commerce
College, Babaleshwar (5202)

Table 4: Alumni feedback and action taken report.

Alumni also plays an important role in the development of the college. Their feedback and suggestions are helpful for the improvement of the curriculum and its effective execution. The table given below shows the feedback of the Alumni and action taken on it:

Sr. No.	Suggestions on feedback	Action Taken
1	Introduce different policy making procedures to the students	The suggestion was put forward in the meeting for consideration
2	Different case studies promoting ethical and moral thinking should be included	Feedback given by the Alumni were discussed in the meeting and the recommendations of the committee were implemented
3	Emphasize the importance of ethical decision-making and leadership qualities. Also conduct some activities to develop leadership skills of the students	Activities on leadership development, skills and qualities are organized

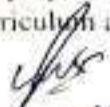

Table 5: Employers' feedback and action taken report.

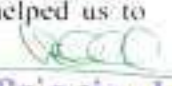

The feedback of the employers who visited the campus during the academic year 2018-19 and the action taken are mentioned in the table given below:

Sr. No.	Suggestions on feedback	Action Taken
1	Provide training in leadership and management skills, including effective communication, team building, and conflict resolution	Training programs are organized on leadership and management skills, including effective communication, team building, and conflict resolution
2	Emphasize the analysis of primary sources, such as documents, artifacts, and oral histories, to help students develop critical thinking and research skills	The suggestion was put forward in the meeting for consideration
3	Assign research projects that allow students to delve deeply into a particular historical event or figure	Assignments and research projects are given to the Last year undergraduate students on various topics to develop their critical thinking and research abilities
4	Provide information and resources for students interested in pursuing careers in theatre, including college programs and industry connections	The resources and required information about the career options in theatre, industry and other fields is provided to the students

Conclusion:

Thus, the feedback given by the stakeholders were analyzed and appropriate action was taken to fulfill and satisfy the expectations of all the stakeholders such as students, teachers, parents, and employers. The suggestions by the stakeholders and our actions helped us to improve the curriculum and implement it effectively.

Teachers' feedback plays a vital role in the development and improvement of the curriculum. The below table shows the suggestions by the teachers and action taken on them.

Sr. No.	Suggestions on feedback	Action Taken
1	Incorporate diverse voices and perspectives, particularly those from historically marginalized groups, to offer a more inclusive understanding of society	Feedback given by the subject teachers were discussed in the meeting and the recommendations of the committee were implemented
2	Include the study of local and regional history to help students connect with their own communities and understand their historical significance	The suggestion was put forward to the committee for consideration and it was decided to include the suggested points in various certificate courses
3	Include coursework on crisis management, disaster management, and emergency preparedness	The suggestion was put forward in the meeting for consideration
4	Expand the curriculum to include diverse world ideologies, theories, histories, and perspectives including those of marginalized groups	Feedback given by the subject teachers were discussed in the meeting and the recommendations of the committee were implemented

Table 3: Parents' feedback and action taken report.

The feedback from parents is also important. Their suggestions and action taken is mentioned below.

Sr. No.	Suggestions on feedback	Action Taken
1	Promote classroom discussions and debates on different topics to foster critical thinking	Classroom activities such as seminars, group discussions, debates are conducted on the different topics in every class
2	Explore the use of digital tools and multimedia in teaching-learning to keep up with modern trends and technology	Digital tools and multimedia are being used in teaching-learning. The use of ICT, Video lectures, YouTube links have been increased to keep up with modern trends and technology
3	Real life social problems should be discussed and students should be motivated to find solutions to those issues	Many programs and guest lecture are organized on real life social problems to motivate the students to find solutions to those issues
4	Provide training in leadership and management skills, including effective communication, team building, and conflict resolution	Training programs are organized on leadership and management skills, including effective communication, team building, and conflict resolution

Table 4: Alumni feedback and action taken report.

Alumni also plays an important role in the development of the college. Their feedback and suggestions are helpful for the improvement of the curriculum and its effective execution. The table given below shows the feedback of the Alumni and action taken on it:

Sr. No.	Suggestions on feedback	Action Taken
1	Introduce different policy making procedures to the students	The suggestion was put forward in the meeting for consideration
2	Different case studies promoting ethical and moral thinking should be included	Feedback given by the Alumni were discussed in the meeting and the recommendations of the committee were implemented
3	Emphasize the importance of ethical decision-making and leadership qualities. Also conduct some activities to develop leadership skills of the students	Activities on leadership development, skills and qualities are organized

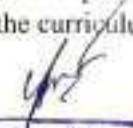

Table 5: Employers' feedback and action taken report.

The feedback of the employers who visited the campus during the academic year 2019-20 and the action taken are mentioned in the table given below:

Sr. No.	Suggestions on feedback	Action Taken
1	Provide training in leadership and management skills, including effective communication, team building, and conflict resolution	Training programs are organized on leadership and management skills, including effective communication, team building, and conflict resolution
2	Emphasize the analysis of primary sources, such as documents, artifacts, and oral histories, to help students develop critical thinking and research skills	The suggestion was put forward in the meeting for consideration
3	Assign research projects that allow students to delve deeply into a particular historical event or figure	Assignments and research projects are given to the Last year undergraduate students on various topics to develop their critical thinking and research abilities
4	Provide information and resources for students interested in pursuing careers in theatre, including college programs and industry connections	The resources and required information about the career options in theatre, industry and other fields is provided to the students

Conclusion:

Thus, the feedback given by the stakeholders were analyzed and appropriate action was taken to fulfill and satisfy the expectations of all the stakeholders such as students, teachers, parents, and employers. The suggestions by the stakeholders and our actions helped us to improve the curriculum and implement it effectively.

1.4.1 Feedback Analysis of Stakeholders and Action Taken Report (Academic Year 2021-22)

Introduction:

The college collects feedback on curriculum aspects and courses from different stakeholders such as Students, Teachers, Employers and Alumni. Once the feedback is analyzed and valuable suggestions given were considered and necessary actions were executed.

Table 1: Students feedback and action taken report based on the students' feedback, appropriate changes were made as in notified in the following table.

Sr. No.	Suggestions on feedback	Action Taken
1	Students suggested to start more career-oriented courses	Some of our faculty members are part of the syllabus construction committee, i. e. Board of Studies of the University. They took initiative to convey these suggestions to the University. They also suggested to start new certificate courses at college level.
2	Introduce new certificate courses related to basic terminologies of various subjects for a stronger foundation	Certificate courses of various subjects were started including basic concepts of the respective subjects
3	Arrange career development programs and job-oriented programs for students	The college offers various Certificate and Add-On courses for skill development and placement of the students
4	Include interdisciplinary approaches and emphasize connections among social sciences	The departments of social sciences have formed 'Social Science Association' and decided to organize various interdisciplinary programs under this association
5	Visits to different government and non-government organizations	The departments of Commerce, Political Science, History, <i>Economics</i> and other departments visit various government and non-government organizations and Historical places

Co-ordinator,
IQAC.

Principal,
Shri Shantaveer Arts & Commerce
